RESPONSIBLE SOCIAL GATHERING TIPS

One of the most effective ways to avoid the spread of COVID-19 is not hosting or attending social gatherings. If you do find yourself in a social situation, please be sure to consider the following:

**SMALL GATHERINGS**
- Keep your gathering small, 10 people or less.

**WEAR MASKS**
- Wear a face covering and encourage your guests to, especially when you are within 6 feet of each other.

**KEEP IT CLEAN**
- Clean and disinfect frequently touched surfaces daily, as well as before guests arrive and after they leave.

**KEEP TRACK OF GUESTS**
- Contact tracing is required and you are expected to provide a list of attendees to the health department in case of an outbreak.

**BE OUTSIDE**
- Entertain outside. If gathering outside isn’t feasible, open windows to make sure your indoor space is well-ventilated.

**SOCIAL DISTANCING**
- Arrange tables and chairs to allow for social distancing, ensuring people from different households are 6 feet apart.

**DON’T SHARE FOOD**
- Avoid shared drinks and food like chips, dips, and platters. Provide disposable dishes and utensils.

**PLAY SAFE GAMES**
- Avoid games or activities where people touch the same items.
